Do you find it difficult to follow a conversation with friends and family? If you are hard of hearing, wear a hearing aid or have become deaf then Lipreading classes can help to improve your communication in any situation.

Our classes have a very relaxed atmosphere and we will help you manage your hearing loss along with others that are coping with the same day to day difficulties as you are.

ATLA (the Association of Teachers of Lipreading to Adults) is the only organisation in the UK dedicated to teaching this valuable skill. All ATLA members are qualified lipreading tutors.
